Report No. 7

September 1967

1. GENERAL INFORMATION

This report shows the current status of compliance, under Title VI of the Civil Rights Act of 1964, and certain related information with respect to public school districts in the seventeen Southern and Border States. Details as to the information included and keys to various codes used are set forth below.

Every four months an updated version of this report will be distributed. Reports are numbered serially from "Report No. 1."

2. HOW TO USE THIS REPORT

Districts are arranged alphabetically, by district name, within each State. To locate information on a particular district, look up the district - by name - where it should appear, alphabetically, in the list for the State in which the district is located. In some cases it may be necessary to try various arrangements of the elements in a district name to locate a district.

If information is required concerning a district which cannot be located in this report, call the Office for Civil Rights (Miss Dorothy Green, Code 13, Ext. 26282). Miss Green can also answer other questions concerning this report.

3. STATES INCLUDED

The seventeen Southern and Border States for which public school districts are listed include:

Alabama	Kentucky
Arkansas	Louisiana
Delaware	Maryland
Florida	Mississippi
Georgia	Missouri
North Carolina	Texas
Oklahoma	Virginia
South Carolina	West Virginia
Tennessee	

4. INFORMATION REPORTED

For each district the following information is shown (titles are column headings of the report):

a. Compliance Status - indicates, by code symbol, current compliance status of the district.

b. State name - self explanatory.

c. District name - name of public school district as it appears in assurance files of the Office for Civil Rights.

d. Superintendent's location - name of city or town in which district superintendent's office is located.

e. Applicable assurance - shows, by code symbol, whether district operates under: voluntary plan, court order, or HEW-441 Assurance of Compliance.

f. Assurance Status - shows, by code symbol, whether assurance has been submitted, if assurance has been accepted, is under review, or is unacceptable.

g. Inadequate Steps to Desegregate - identifies each district in which performance indicates district has not taken adequate steps to achieve desegregation.

h. General Counsel's Docket No. - identifies docket number assigned by HEW General Counsel to each case in which district has been afforded an opportunity for hearing.

i. State Code and District Identifying Number - these identifying numbers are assigned to facilitate machine sorting and processing of records.

5. KEY TO CODE SYMBOLS:

Numerical codes are used to indicate information in several columns as follows:

a. Compliance Status

Code Symbol	Meaning
0	Assurance of Compliance submitted.
1	Information of noncompliance substantiated; negotiations being conducted; final approval of pending applications for federal financial assistance now being deferred by DHEW - except no deferral is operative if an asterisk (*) precedes the code symbol.
2	Notice of opportunity for hearing served; formal enforcement proceedings initiated; final approval of pending applications for federal financial assistance now being deferred by DHEW - except no deferral is operative if an asterisk precedes the code symbol.
3	Title VI procedures completed; order terminating funds now in effect.

NOTE - An asterisk before the Compliance Status Code symbol for a district indicates that deferral has been lifted on applications for new activities. (Under the provisions of Section 182 of P.L. 89-750 the lifting of this deferral is mandatory with respect to any application which has been deferred 60 days without opportunity for a hearing. In the interest of simplicity of administration, however, such deferral is lifted with respect to all applications from a district affected by the cited provisions of P.L. 89-750). This does not affect the Compliance Status or proceedings related to the Compliance Status of any school district.

b. Applicable Assurance

Code Symbol	Meaning
1	Voluntary Plan
2	HEW 441
3	Court Order

c. Assurance Status

Code Symbol	Meaning
10	Form HEW 441-B accepted.
11	Form HEW 441-B received but modified so as to make the assurance not currently acceptable.
12	Form HEW 441-B not received.
13	Form HEW 441-B under review.
20	Form HEW 441 accepted.
21	Form HEW 441 under review.
30	Court order accepted.
31	Court order under review.
40	Voluntary plan submitted for 1965-66 school year but not acceptable under the Guidelines.
41	Voluntary plan not received for 1965-66 school year.

d. Inadequate Steps To Desegregate

Code Symbol	Meaning
1	District has been advised that funds are being deferred and opportunity for hearing has been, or will be, offered.
